Overview:

Zahintex Industries Limited is a premier 100% export-oriented sweater manufacturing factory in Bangladesh, specializing in high-quality knitwear and sweaters. As one of the leading sweater manufacturers in the country, Zahintex is part of the respected Givensee Group of Industries. We take pride in producing a wide range of knitted products, including sweaters, pullovers, cardigans, ponchos, and more, catering to global markets in Europe, the USA, and other regions. With a strong focus on quality, efficiency, and ethical practices, Zahintex aims to exceed the expectations of our international customers while providing a supportive and motivating environment for our employees.

Mission Statement:

To be the global leader in the design and manufacturing of high-quality, stylish, and sustainable sweaters, contributing to the success of our customers while ensuring our workforce's growth and well-being in an environment that adheres to international compliance standards.

Vision Statement:

To be recognized worldwide as the most trusted and innovative sweater manufacturer, known for our commitment to quality, sustainability, and ethical production practices. We strive to continuously push the boundaries of knitwear manufacturing, making every sweater a testament to craftsmanship and environmental responsibility.

Core Values:

- **Quality Commitment:** Delivering top-tier sweaters and knitted garments that meet the highest international standards.
- **Sustainability:** Fostering eco-friendly practices, from yarn sourcing to production, to minimize our environmental footprint.
- **Innovation:** Continuously advancing our production techniques and product designs to stay ahead of global fashion trends.
- **Integrity:** Conducting business with transparency, fairness, and a commitment to ethical practices.
- **Employee-Centric:** Fostering a work culture that values and nurtures the well-being, growth, and motivation of our team members.
